PERQUE Suggestions for Being SWINE FLU-Resistant

Swine flu has most definitely made the headlines this year on the health front. We at **PERQUE™** maintain that boosting the innate immune system is the best way to combat this year's flu season. The following unique **PERQUE** products will be helpful to all in strengthening the immune system and fighting off the flu.

- **PERQUE Potent C Guard Powder** (Based on calibration dose)
Excellent antioxidant, helps support immune function, and detoxifies
- **PERQUE Repair Guard /Pain Guard Forté: 4-12 tabsules/day dose**
Flavanoid/flavanol combination for quick relief & repair of inflammation
- **PERQUE D3 Cell Guard: 5-10 drops/day dose**
Based on D3 levels, which should be between 50-70 ng/ml
- **PERQUE Zinc Lozenges: 1-3 lozenges/day dose**
Fully soluble, synergistic nutrients for maximum immune support
