Regular use of **PERQUE MDP Guard** "cleans up" detoxification pathways.\*

### PERQUE L-CARNITINE FUMARATE BENEFITS

1. Transports fuel into cells and waste products out of cells.\* Fats are usually the main energy sources of your muscles, heart, and brain. These cells contain the most L-carnitine. Adequate L-carnitine is needed to convert fats into energy. **PERQUE MDP Guard** also protects the heart, brain, liver, and kidneys from toxic chemicals.\* It is designed to work with **PERQUE Mito Guard Plus** and **Triple EFA Guard** for enhanced benefits.
2. Supports cardiovascular health by supporting enhanced fat burning.\* You gain energy production from both fat and fumarate metabolism. Excess metabolic cell acids that interfere with metabolism and reduce vitality are neutralized.\* this enhances enzyme functions that metabolize sugars, starches, and other carbohydrates.\*

PROMOTE HEART HEALTH  
IMPROVE ENDURANCE  
AND EXERCISE

3. Removes toxic fatty acids from the mitochondria.\* Energy production is enhanced.\*
4. Quicker post-workout recovery.\* Lactic acid does not build-up, and actin/myosin damage in muscles is prevented.\* It works synergistically with **PERQUE Endura/PAK Guard**.
5. Increases glutathione production, a key nutrient in detoxification.\*
6. Increases cell energy.\* L-carnitine fumarate "shovels biologic coal (free fats) into the mitochondrial cell furnace." This increases both fat metabolism and cell energy.\* Without the "L-carnitine shovel," the furnace stops burning fat efficiently. Your metabolism slows, fat accumulates, and weight is harder to manage. It is designed to work with **PERQUE Glucose Regulation Guard** for better sugar and fat metabolism and healthy weight management support.\*

### PERQUE GABA BENEFITS

GABA (Gamma aminobutyric acid) is:

1. The chief counter-balancing neurotransmitter in the brain. Rather than stimulating neurons to fire, GABA inhibits excess neuronal activity\*.
2. Associated with mental states of calm and serenity.\*
3. Important for muscle relaxation.\*
4. Vital for healthy growth hormone and lean muscle mass.\*

**PERQUE KELP BENEFITS - PERQUE** kelp is a special sea vegetable with several benefits.

1. **PERQUE Kelp** contains essential trace minerals like iodine to support thyroid hormone for better fat metabolism and enhanced energy.\* **PERQUE Kelp** supports your thyroid and balances your metabolism.\* Consequently, thyroid function is healthier.\* Healthy weight is easier to attain.\*
