

PERQUE

Sleep Guard™ Capsules

PERQUE Sleep Guard enhances restful, healing sleep by restoring healthy brain chemistry. Regain sleep that refreshes, revitalizes and reenergizes mind and body. With **PERQUE Sleep Guard** you naturally rebuild resilience. A safer, natural alternative to habit-forming pharmaceuticals, **PERQUE Sleep Guard** boosts the body's own production of serotonin, the brain chemical that says "Ah... we can handle this." When the sleep center operates properly, renewing rest occurs. Start **PERQUE Sleep Guard** for improved quality of sleep and quality of life.*

Benefits of PERQUE Sleep Guard All-Active Formula

Restorative sleep*
Healthier REM deep sleep rhythm

Mood and energy stability*

Neurohormonal balance*
Premenstrual and perimenopausal balance*

Advanced Formula and Benefits:

L-Tryptophan

Tryptophan is an essential amino acid that produces a mood-enhancing neurotransmitter called serotonin. When the body is deficient in tryptophan, it also lacks serotonin. This can inhibit sleep and trigger numerous physical and/or mental disorders. Tryptophan deficiencies are associated with depression, insomnia,

premenstrual syndrome, schizophrenia, attention deficit disorders and autism-spectrum disorders. Adequate levels of tryptophan are essential for biochemical balance of the brain. **PERQUE Sleep Guard** uses only the highest-quality, pharmaceutical-grade L-tryptophan, plus key transport-enhancer nutrients, for the most effective results.*

PERQUE

L-Tryptophan to Manage:

Attention deficit disorder / hyperactivity disorder (ADD / ADHD)*

Autism Spectrum Disorder (ASD)*

Mild to moderate depression*

L-Tryptophan vs. 5-HTP

PERQUE uses L-tryptophan—and synergistic ingredients—in their most beneficial, safe and natural forms. By contrast, many sleep supplements use 5-HTP, a metabolite of tryptophan. Tryptophan crosses the blood-brain barrier and efficiently converts to serotonin. The body can also transform tryptophan into other helpful compounds within the body, like niacin and melatonin: key ingredients in healthy sleep cycles.*

Additional 100% All-Active Ingredient Features

PERQUE uses nutrients only in their most bioavailable, natural and beneficial forms. **PERQUE Sleep Guard** delivers the active forms of vitamins B2 (riboflavin 5-phosphate) and B6 (pyridoxal 5-phosphate)—essential co-factors that maximize the absorption and benefits of L-tryptophan and strengthen its sleep- and mood-enhancing properties. In cases of mild-to-moderate depression, we recommend combining **PERQUE Sleep Guard** with **PERQUE Mood Guard**, for maximum mood-enhancing benefit.*
