

Immune Support

WITH COENZYME ACTIVE VITAMIN B-6

PERQUE®

Energized Double Zinc Guard™

COMPLETE IMMUNE SYSTEM SUPPORT

PERQUE ENERGIZED DOUBLE ZINC GUARD FORMULA - BOTTOM LINE FOR IMMUNE SUPPORT

Due to poor diet, soil depletion, food processing, aging, and stress, zinc deficiency is widespread. Statistics indicate average intake ranges from 47% to 57% of Recommended Daily Allowance (RDA) — not enough to prevent outright deficiency. **PERQUE Energized Double Zinc Guard provides a special blend of fully soluble, energized zinc and synergistic nutrients for maximum immune support for people of all ages.***

PERQUE ENERGIZED DOUBLE ZINC GUARD: THE ULTIMATE FORMULA

Zinc is involved in more body functions than any other mineral.* Experts estimate that over 10,000 enzyme reactions require zinc — many involved with immune defense and repair.* Zinc is essential for growth, development, sexual function, immune function, and chemical detoxification.* Without adequate zinc, healing cannot take place.*

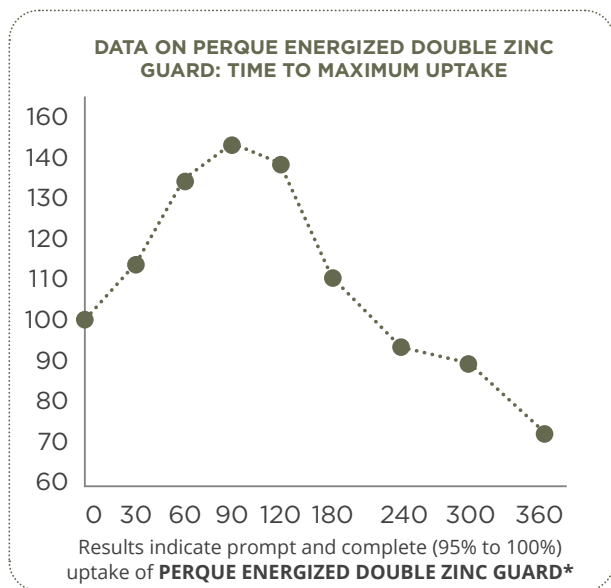

PERQUE ENERGIZED DOUBLE ZINC GUARD is a complete, immune-building formula using a blend of two ionized, fully soluble zinc sources for optimal absorption and utilization by every cell. The figure on the next page indicates this rapid and optimal absorption. The **PERQUE** formula includes vitamin B-6 in its active form (pyridoxal-5-phosphate) for increased uptake and activation of zinc.*

PERQUE ENERGIZED DOUBLE ZINC GUARD tablets are essential for teens. Reproductive hormones increase sharply during puberty, requiring significant amounts of zinc.* When zinc is in short supply, the skin suffers, resulting in a host of teenage skin problems, including acne.* Studies show that zinc is superior to tetracycline for treating acne.* For additional nutritional support for skin problems, include **PERQUE Life Guard™**.

POWERFUL BENEFITS FOR THE IMMUNE SYSTEM

Zinc is a micronutrient with important roles in growth and in the immune, nervous, gastrointestinal and reproductive systems. The human body cannot make zinc, so it has to come from our diet. It is estimated that more than 1 in 6 people globally are deficient in zinc and that around 1 in every 58 deaths in children under five is related to zinc deficiency. Research published in the Cochrane Library discusses data reviewed from 80 trials involving 205,401 children aged six months to twelve years. Those children who took zinc were less likely to suffer a bout of diarrhea, and when the researchers looked at growth differences, they saw that children who were given zinc were slightly taller by the end of the trials compared to those who did not.

Full Disclosure Label (no hidden or inactive ingredients)

Directions: As a dietary supplement, take one (1) tabsuble daily with food or as directed by your health professional.

SUPPLEMENT FACTS

Serving size: 1 Tabsuble
Servings per container: 100

Energized Nutrients	Amount per serving	% Daily Value
Zinc (as elemental, 50% picolinate/50% citrate).....	25 mg.	227
Pyridoxal-5-phosphate (as B-6)	3 mg.	176
Vegetable fiber (organic croscarmellose)	376 mg.	*
C16 and C18 alkyls from whole, untreated palm fruit and leaf	2 mg.	*

* Daily value not established

Other Ingredients: None

THE PERQUE GUARANTEE

Like every other **PERQUE** product, **PERQUE Energized Double Zinc Guard** comes with a 100%, unconditional, money-back guarantee – the strongest guarantee in the natural health industry. This unique guarantee provides the assurance that:

- Every **PERQUE** product provides 100% potency and activity for its entire shelf life.
- Every ingredient used in a **PERQUE** product is pharmaceutical-grade or better.
- All **PERQUE** products dissolve rapidly (usually within 20 minutes), eliminating digestive irritation often found with other brands.
- Full label disclosure is provided for all **PERQUE** products — no hidden ingredients.
- Every **PERQUE** product is activated with the same transporters that are used by nature and in food to ensure full bioavailability. The biologically preferred form of an ingredient is always used for enhanced activity.
- Free of citrus, MSG, wheat/gluten, corn/zein/starch, dairy/casein/whey/milk derivatives, yeast, soy, sulfate, phosphates (other than coenzymes), and preservatives.
- No genetically modified organisms (GMOs).
- Unique post-production assays and clinical bioassays assure product integrity.

YOUR QUALITY ASSURANCE

Every **PERQUE** product is produced following or exceeding the FDA's pharmaceutical GMP (Good Manufacturing Practices) regulations.
